PROFESSIONAL SUMMARY

Senior Mobile Software Engineer with 4+ years of experience building high-performance cross-platform applications using Flutter, React Native, and SwiftUI. Proven track record of delivering scalable mobile solutions across diverse domains including healthcare, real estate, IoT, AI-driven platforms, and social applications. Strong expertise in mobile architecture, API integration, and performance optimization, with hands-on experience in backend development using Node.js and Django. Adept at writing clean, testable code and improving application stability through unit and UI testing.

TECHNICAL SKILLS

Mobile Development

- Flutter
- React Native
- Swift UI

Languages

- Dart
- TypeScript
- JavaScript
- Swift
- Python

Tools & Platforms:

- Git
- Firebase
- Xcode
- Android Studio
- Docker

Testing

- Unit Testing
- UI Testing
- API Testing

Core Strengths

Performance Optimization, Scalable Architecture, Debugging, Cross-Platform Development

PROFESSIONAL EXPERIENCE

Jun 2025 - Present **10PEARLS, LLC | SENIOR SOFTWARE CONSULTANT**

- Leading development of cross-platform mobile applications using Flutter and React Native for iOS and Android
- Architecting scalable mobile solutions integrated with backend microservices
- Collaborating with cross-functional teams to deliver high-quality, production-ready applications
- Driving code quality improvements through structured testing (unit, UI, API)
- Mentoring junior developers and contributing to technical decision-making

June 2024 – June 2025 **10PEARLS, LLC | SOFTWARE CONSULTANT III**

- Developed and maintained mobile applications using Flutter (Dart) and React Native
- Identified and resolved performance bottlenecks, improving application responsiveness and stability
- Ensured high code quality through debugging, refactoring, and testing

June 2023 – June 2024	10PEARLS, LLC SOFTWARE ENGINEER II - Built cross-platform mobile applications for iOS and Android using Flutter and React Native - Improved app performance and reliability through code optimization and bug fixing - Integrated REST APIs and third-party services into mobile applications - Contributed to scalable backend systems using Django
June 2022 – June 2023	10PEARLS, LLC ASSOCIATE SOFTWARE ENGINEER - Developed mobile applications using Flutter and React Native - Collaborated with teams to deliver scalable and user-friendly applications - Assisted in backend development and API integration
April 2021 – May 2022	WISHSOL PVT LTD JUNIOR SOFTWARE ENGINEER - Developed and maintained Flutter-based mobile applications - Debugged and optimized applications for performance across Android and iOS - Collaborated with teams to deliver secure and scalable solutions
May 2021 – September 2021	ECHYLEM SOLUTIONS PVT LTD WEB DEVELOPER INTERN - Developed web applications using Django, HTML, CSS, JavaScript, and Bootstrap - Gained experience in full-stack development and application lifecycle

KEY PROJECT EXPERIENCE

- Developed mobile applications across multiple domains including:
- Healthcare solutions
- Real estate platforms
- AI-driven booking systems for assets and resources
- IoT-based applications
- Chat and calling platforms
- Social media applications
- Improved application performance by identifying bottlenecks and optimizing code
- Enhanced code quality by implementing unit, UI, and API testing strategies
- Built scalable backend services to support mobile applications

EDUCATION

2018 – 2022	BACHELOR OF SCIENCE IN COMPUTER SCIENCE National University of Sciences and Technology (NUST), Islamabad
